

BUSINESS DEVELOPMENT POSITIONS

Software Logistics is a young, growing company providing digital media, print production, packaging and fulfilment solutions to corporate clients and central government.

After record revenue growth last year, we are expanding our sales activities still further. We are seeking experienced sales professionals at all levels who are looking for a new challenge and want to be part of a company that is going places.

You will have to be energetic, highly motivated and have a proven track record in developing new business. Your reward will be a really satisfying job with an enthusiastic and committed team of people . . . as well as a good basic salary, OTE, car, pension and medical.

If you would like to discuss the opportunities available please email your CV in confidence to personnel@softwarelogistics.com or call Barry Hurley on +44 (0) 1494 455589.
